Subject: Next PH Managers meeting
Date: 12/12/2007 03:12 PM

Portland Harbor Managers -

As agreed today, due to schedule conflicts for the regularly scheduled meeting, the next PH managers meeting will be Thursday, January 17 at 9am.

Also agreed was that folks would hold Wednesday afternoons in January for technical meetings to resolve RI/FS issues as identified by EPA's comments on the R2 Report. Those comments are expected to come to LWG in a first batch on January 4.

cheers
valerie

This communication is made under the framework of the LWG Participation Agreement and in the parties' common interests in meeting LWG member obligations under the Administrative Order on Consent and in anticipation of litigation concerning liability for the Portland Harbor Superfund site. This communication is intended and believed by the parties to be part of an ongoing and joint effort to develop and maintain a common legal strategy and contains strategies, work product and legal advice within the "common interest" extension of the attorney-client privilege and the work product doctrine. This communication may include attorney-client communications. With respect to communications by private LWG members to public members, those communications are with the expectation that they will be kept confidential by the public entities. The information is intended to be for the use of the individual or entity named above. If you are not the intended recipient, please be aware that any disclosure, copying, distribution or use of the contents of this information is prohibited. If you have received this electronic transmission in error, please notify us by electronic mail at voster@anchorenv.com.
